RESTAURANT EXPERIENCE

Tropicana Hostel

Runner/Server/Busser

Jun 2022—Jul 2022

Antigua, Guatemala

- Ran early breakfast service for up to 50 patrons before their 2-day Acatenango hike, plating Desayuno Chapín — scrambled eggs, refried black beans, fried plantains, fresh cheese, corn tortillas, avocado, crema, and local coffee.
- Tended bar at night, serving local craft and artisanal beer; ran trivia competitions and other drinking games for guests.
- Performed general cleaning and upkeep, including rooms, beds, common areas, and tending to the pool.

Bolero

Server

Mar 2021—May 2021

New York, NY

- Seated and waited on multiple tables of parties up to 10 patrons across inside, front, and back outdoor seating.
- Served cocktails, beer, wine, kombucha, tea, and coffee; crafted signature fruit-based cocktails and mocktails.
- Set up and broke down indoor/outdoor seating area each shift; swept, powerwashed, and took out garbage and recycling.

Dhamaka

Bartender/Waiter

Feb 2021—Mar 2021

New York, NY

- Made cocktails and mixed drinks; served wine, champagne, beer, soda, chai, and lassi to accompany Indian dishes.

College Town Bagels

Bartender/Waiter

May 2016—Sep 2016

Ithaca, NY

- Prepared signature CTB bagel sandwiches with fresh produce, meats, cheeses, eggs, spreads, and soy substitutes.
- Brewed coffee and crafted espresso drinks, lattes, cappuccinos, mochas, and seasonal specialty beverages.

The 1850 House Inn

Waiter

May 2015—Sep 2015

Rosendale, NY

- Set up and broke down the indoor restaurant, outdoor deck and pavilion, bar, ramp, and parking lot each service.
- Stocked the outdoor bar with garnishes, accoutrements, snacks, disposable cups, straws, and other supplies.
- Seated patrons, provided water and cutlery, bussed and reset tables, and served aperitifs after each meal.

Mohonk Mountain House

Granary Server

May 2014—Sep 2014

New Paltz, NY

- Manned the grill and prepared burgers, hot dogs, bratwurst, kielbasa, and grilled vegetables for 400+ guests daily.
- Disposed of leftover food, cleaned picnic tables, grill, freezers, and storage, and power washed the granary post-service.
- Loaded tablecloths, napkins, cups, plates, food, drinks, and containers from the main house and unloaded at the granary.

The Alternative Baker

Baker's Assistant

May 2013—Sep 2013

Rosendale, NY

- Assisted the head baker in measuring and mixing ingredients, kneading and proofing dough, shaping and scoring loaves, and baking bread; cleaned mixers, surfaces, and ovens between batches.
- Tended to customers, cleaned the restaurant, and made pastries and breakfast cuisine.

ENGINEERING EXPERIENCE

JPMorgan Chase

Software Engineer II

Sep 2024—Mar 2025

New York, NY

- Built a dashboard capable of visualizing 1k+ **LLMs**, allowing data scientists to monitor **ML** workflows.
- Augmented **FastAPI** logs with user IDs across all endpoints, ensuring traceability of 1M+ daily events.
- Validated client identities accessing **LLM** artifact registry, enhancing security and guaranteeing government compliance.
- Watermarked automated reports for non-compliant **LLM** projects to prevent unauthorized sharing to external parties.
